Aakash College of Education

Message

It has always been my belief that a man is limited only by his thoughts and there are no limits to achieve whatever we desire, as long as this is done within the boundaries of reason and ethics and with positive outlook. This means we have to give way to freedom of thought and generation of new ideas, and to be open to experiment. The possibilities in life are many.

It has been 9 years since Aakash College of Education (ACE) came into being. In its relatively young history, it has helped produce and nurture great students. In this short span, ACE has grown as one of the most dynamic and academically excellent group of institutions in area. Our success has been a result of the hard work, persistence and commitment in each and every individual who at any time in our history has been a member of ACE Family. It is through the untiring efforts of these people that ACE is growing towards a better tomorrow.

What makes ACE unique is its unparalleled philosophy towards education. Providing value based education to its students, maintaining steadiness in developing student's academics as well as personality and its innovative approach towards education may it be academics, teaching methodology, student's development, faculty development and continuous research and development thereby creating multifaceted opportunities for the students as well as faculty members are the strong pillars which has always kept us at the forefront of education. We are committed to bring innovation and excellence in the field of education and our numerous efforts in this direction stand to the fact.

I extend a cordial invitation to all the visitors of our website and I am sure that this is going to be an exciting journey in itself.

Sh. Rakesh Malik
President

Message

The Aakash College of Education has carved out a distinguished place for itself in the field of teacher's education. It has become a niche for quality education where pupil teacher acquires a sense of professional commitment and professional ethics. The learners acquire knowledge and learn the knack of application of knowledge in teaching learning process which makes teaching learning process effective and productive.

The curriculum of the teacher-education programme carries both educational technology and technology in education. A wide range of activities are performed in college which not only build strong teacher taught relations but also give greater exposure to learners to understand the global trends in education .

The college facilitates the learners with an ideal infrastructure, well stocked library and modern resource centers. The learners have access to all activities to promote values. The vast playgrounds stand as motivation to the learners to take part in games & sports. The College ingrains among learners the spirit to save and protect the environment In this way they also understand the educational Administration. It has always been an Endeavour of the College to chisel out committed nation builders.

Sh. Virender Dhingra

Director

Principal's Desk

Established in 2007, Aakash College of Education enjoys a proud to be a part of Aakash Education Society®. I am honored to be the Principal of this college. Recognizing that teachers are the soul of the institution, we are transcending all barriers to attract top of the line faculty who bring with them excellence, dedication and creativity. Our highly committed faculty provides excellent opportunities. Our endeavour is to provide an environment which encourages pursuit of knowledge, acquisition of skills, development of character and self esteem and recognition of rights and responsibilities. The objective is to open new vistas for eager learners and prepare them to participate effectively in the ever expanding opportunities in a globalized and highly dynamic world.

We desire to be unfettered by convention and thus seek to promote innovative and flexible approaches to learning. We traditionally have active engagement in academic, sports, social and cultural events within and beyond the college gates. Each student entrusted to our care is precious to us and we make special efforts to groom each and every student according to their individual need. It has been our regular effort to prepare students for a dignified life in their families, their workplaces and in the society at large. I can assure you that if you choose to join this college, you will enjoy the most cherished years of your life.

Dr. Lalit K. Tuteja
Principal

The Seminar/Multipurpose and lecture halls provide luxurious atmosphere to the students that is perfect for effective learning.

Since inception, institute has well qualified, sincere, dedicated and hard-working faculty members that are involved to impart value education and positive attitude among the students to make them better citizens of the Nation. Aakash College of Education helps its students to discover new experiences in dynamic and supportive environment and also it equips them to handle the threats and opportunities to evolving and emerging technologies that would become the order of the day in the years to come. We believes in producing quality manpower, equipped with human and social values required to integrate excellent technical skill, social character, leadership, creativity and innovation for the benefit of mankind and sustainable development of India and to promote research in the emerging disciplines.

Courses Offered

Aakash College of Education, Agroha-Adampur Road, VPO Kalirawan (Hisar) offers Bachelor of Education (B.Ed.), Diploma in Elementary Education (D.El.Ed.) with annual intake of 100 seats and 50 seats respectively.

Bachelor of Education is the main opening path for the students who have passed graduation/post graduation with at least 50.00 % marks from any recognized University of India/Abroad. Our institution offers 100 seats in this programme as per the notification of Govt. of Haryana/Affiliating University/NCTE, New Delhi. Aspirant candidates can get admission in the institute by filling the online application form as per the norms. The duration of the course is only two years and the course is best suited for the candidates desirous to become a competent teacher educator at secondary level educational institutions.

Diploma in Elementary Education course is opportunity for those students who have passed Sr. Secondary/10+2/Intermediate examination and desirous to become a competent teacher in primary educational institutions. The admission is done through state level centralized counseling by SCERT, Gurugram, on behalf of Govt. of Haryana. The institution offers 50 seats in this programme, duration of which is also two years.

Courses	Eligibility	Duration	In take
Bachelor of Education (B.Ed)	50% Marks in Graduation/Post Graduation	02 Years	100 Seats
Diploma in Education (D. El. Ed)	50% marks in 10+2 (Any stream)	02 Years	50 Seats

The reservation policy in all the courses shall be applicable as per the State Government/NCTE, New Delhi/SCERT, Gurugram and Chaudhary Ranbir Singh University, Jind (Haryana) Norms and prescribed guidelines.

Courses Highlights:

- Provided sound, theoretical and practical knowledge regarding the latest practices and procedures which are adopted by the Educational Sectors in India.
- The course stresses on practical training given through the latest technical tools besides teaching the theory & fundamentals of the areas mentioned above
- The courses aim at producing technically well-equipped, global communication teachers who can meet the demands of today's competitive scenarios.
- It follows a holistic approach in teaching through class-room lectures with various teaching aids, seminars, visits by eminent guest faculty, project presentations and field visits.
- Providing computer software required for the above-mentioned areas, in order to sharpen students critical-thinking & communication skills through Communication Lab, Audio Lab, Video Lab, Computer Lab and Fine Arts Lab etc.
- Well stocked Library to help the students to broaden their vision and enriches their knowledge in their respective area of interest.
- The course also stresses on the richness of India's culture and civilization so as to make our future communicators understand the great, all-pervasive concept of Indian heritage on which Indian society is structured and Indian policy functions

Admission Process:

It is necessary for the students to read carefully the relevant code and conduct of the college before applying for admission in the institute. If parents/guardians/candidate fully agrees with code and conduct of the college, he/she can fill admission forms and submit with all supporting testimonials to confirm his/her admission in the relevant course of study as per the eligibility policy of the concerned course.

NOTE:

- a. **No fee will be refunded in case any candidate is found as ineligible for admission to a particular course or in case a candidate discontinues studies after admission for whatsoever reasons.**
- b. In case it is noticed, at any stage, that any bogus certificate/information was submitted by candidate, his/her candidature shall stand cancelled and degree/diploma/marks sheet, if already issued will be withdrawn and the candidate will be liable to be prosecuted under law.

Each candidate must fill up college admission form of relevant course of study along with two attested copies of the following testimonials/certificates.

- x. Aadhar Card of student.

Infrastructural Facilities

The college has developed well equipped Resource Centers/laboratories/Library/Seminar& Lecture Halls etc. in response to changing demands of different curricular areas and other teaching learning resources. The college has a clear cut policy for the enrichment and modernization of resource centre/laboratories

Library : The Knowledge Hub

As Library is considered to be the brain of the institute, Aakash College of Education has a well stocked, excellent library with efficient and effective information retrieval system within the reach at convenient time. The library is open on all working days including autumn; winter and summer break so that students and teachers could use it maximally.

The library provides various facilities to the staff and students of the college viz., Current Awareness Service, Community

Service, Reprographic service, Internet facility and Book Bank Facility. The Library is well equipped with Reference Books, Periodicals, Research Journals and Magazines of International standards.

Language Laboratory

Good Communication is the most required skill for present day world of work. The college has language lab which aims at improving the language of the students, to correct and improve their pronunciation and make them fluent in the target language. A language teacher is the role model for the students so this lab helps the students to become good speakers as well as language teachers.

ICT Resource Center

Information and Communication Technology (ICT) is an umbrella term that includes all technologies for the manipulation and communication of information. It deals mainly with the uses of tools and techniques to enhance the effectiveness of the teaching-learning process.

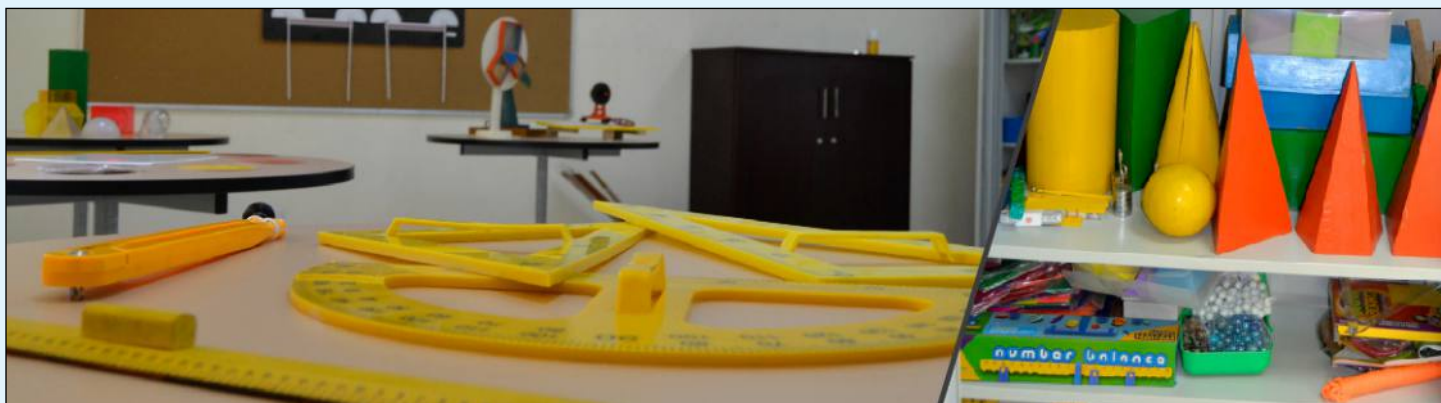

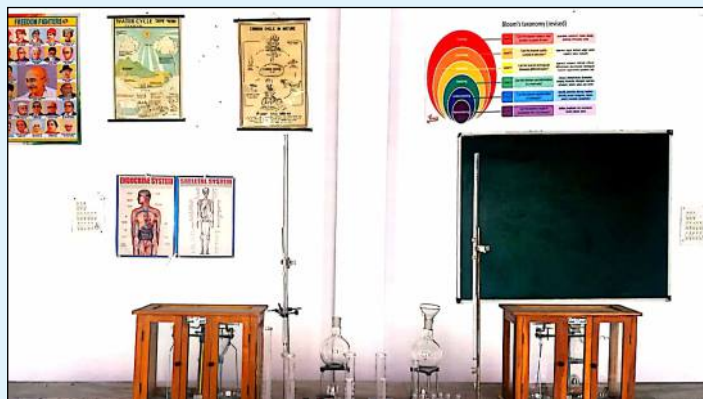

Now the world is moving rapidly into digital media and information, the role of ICT in education becoming more important for the generations to come. The institution has fully equipped ICT lab to inspire students to be familiar with technological advancement.

Curriculum Resource Center

The Curriculum Laboratory is a center for instructional material in teacher education. Our College has well equipped C.R.C. to facilitate its teachers and students as per NCTE norms on desirable lines. This resource center is utilized for conducting theory and practical classes of Physical Science, Life Science, Mathematics, Social Science, Psychology subjects etc.

Health & Physical Resource Center

For the all round development of the students, a variety of sports, yoga and recreational activities are organized. The college has sufficient sports infrastructure for outdoor games (Athletics, Volleyball, Kabbadi, Kho-Kho etc.), Indoor games (Badminton, Chess, Carom, Table-Tennis). To promote sports participation, college regularly prepares sports teams to participate in competitions at various levels. Yoga, Annual Athletic meet and sports activities are being conducted in college campus wherein students democratically participate in a variety of physical exercises.

Art & Craft Resource Center

To develop aesthetic sense among the teacher-trainees and to develop creativity among them, a well equipped art & craft resource centre is established in college because canvas is the mode to express the inner feelings of students. It is said that colour speak for themselves. Art is soul of life; creativity is cultured with opportunities extended to the students in many forms. All the possible facilities & opportunities are extended to our students to engrave their minds & creativity.

Multipurpose Hall

The college has a spacious multi-purpose hall well equipped with latest displayed aids. It has the seating capacity for more than 200 persons. It is mainly used for conducting seminars, workshops, conferences and group discussions for faculty, students, peer group and guest experts. A large number of co-curricular activities like celebration of festivals, important days, national functions and college functions are arranged in this hall.

Seminar Room

The college is unique in having a constructed, spacious and well furnished Seminar Hall which provides a platform to would be teachers to exchange views, share ideas, and present their papers on contemporary Social, Political, Economic, Scientific, Literary and Cultural issues. The seminar hall has the seating capacity for 50 persons.
